I am a candidate for the office of Commissioner of Revenue for Appomattox County in the July Primary. I was born and raised in Appomattox county and graduat- ed from Appomattox High School. I graduated from VPI three years ago and received a degree in Business Administration. Since graduating from college I have lived in Appomattox and taught Business Administration and Physical Education at E. C. Glass High School. My training, I believe, qualifies me for this position at E. C. Glass High School, I have taken a tempor- ary job to support my family. Due to this employment I find it difficult to get out and see each one of you personally be- fore the July Primary. I know that it is extremely important that I contact each voter and ask for his or her vote and sup- port. Again, I pledge to you, if elected to this office, to fulfill this position to the best of my ability and to serve all of the residents of our county courte- ously, efficiently, and honestly.
I solicit your vote and support for this office and trust that you will give me your every consid- eration and understanding.
